EXPERIENCE

Director – FMCG and Grocery, BU Head

Aug'24 – Present

Ninjacart

- Heads the FMCG and Grocery business vertical at Ninjacart, India's leading Agri-commerce company.
- Leads business strategy and P&L optimization across the FMCG and Grocery vertical.
- Cultivated strong relationships with key brands and sellers to support sustainable business growth across geographies.
- Develops and implements revenue growth strategies, market trend analysis and customer lifecycle management to drive business expansion and profitability.

Associate Director – Growth & Revenue

Feb'22 – Jan'24

Unacademy

- Managed a $5M portfolio at 20% EBITDA, delivering 30% YoY revenue growth and positive cash flow in the challenging Ed-Tech landscape.
- Drove online revenue market share from 8% to 55% in 18 months, a strategic and successful growth trajectory.
- Delivered an ROI of >10X on Performance Marketing campaigns, generating $1.3M in revenue against $100K spending.
- Devised targeted content strategies for top-of-funnel (Performance Marketing and GTMs), mid-funnel (product interaction) and bottom-funnel (conversion) stages, using market research to identify untapped opportunities and threats.
- Optimized Customer Lifecycle Management (CLM) campaigns to improve engagement, retention and user stickiness.
- Led development of product assortments aligned with customer preferences and market demand.

Senior Manager - Category Management and Operations

Mar'21 – Feb'22

Fashinza (Tirupur)

- Established a network of 500+ suppliers and managed the entire base for sourcing.
- Scaled monthly GMV to $100K within a year, setting up core backend functions from scratch.
- Crafted a client feedback loop and fine-tuned it for alignment with client satisfaction and key business success metrics.

Senior Manager - Category Management

Apr'18 – Mar'21

Ninjacart (Chennai)

- Owned end-to-end category management across product selection, market intelligence, pricing strategies, inventory optimization, vendor negotiations and retail strategy implementation.
- Managed P&L for key categories contributing 60% of revenue, driving 5x growth in daily volumes within 100 days.
- Led P&L optimization and market intelligence for 30+ cities, with daily price benchmarking across 75+ SKUs.
- Worked with tech and engineering teams to manage development and deployment of sales-facing and retailer-facing applications.

Software Engineer

Sep'14 – Aug'17

Accenture (Chennai)

- Led end-to-end software development lifecycle, including design and implementation of business-critical applications while analyzing key performance drivers.
- Managed incident resolution through multiple channels and integrated new technologies and automation solutions to enhance existing systems.
