TABISH BILAL

Category Head — FMCG & Quick-Commerce | Category P&L Owner | Regional Business Head — Sales, Operations & Supply Chain | 3PL | Multi-City Scale-Up

Bangalore, India | +91 8095100786 | tabish.bilal@gmail.com

EXECUTIVE SUMMARY

Business leader with 10+ years of experience spanning Category Management, Sales, P&L Ownership, Operations and Team Building — with strong exposure to Quick-Commerce and FMCG retail (Food, Beverages, Personal Care and Home Care) — a rare combination that has driven multi-city, multi-category growth across logistics, supply chain and consumer businesses in India. Proven ownership of category P&L, assortment strategy and vendor negotiations, with a track record of scaling categories in high-growth environments. Built JustDeliveries' South India business from the ground up — full ownership of P&L, Sales, Sourcing, Operations, Technology Adoption and Team Building across Bengaluru, Hyderabad and Chennai — growing the region to a ~₹28 Cr annualized run-rate (Apr–Jun 2026 actuals) against an FY27 target of ₹40 Cr, with Bengaluru and Hyderabad both delivering 100%+ of target for 3 consecutive months. Personally drives new-business growth (a live pipeline worth ~₹2 Cr+ in annualized potential) and key-account expansion (up to 2x on existing accounts), alongside hyper-growth operational and category scale-up (7 to 166 outlets at SLAY Coffee). Manages strategic enterprise and category-partner relationships representing multi-crore annual revenue across Food, Q-Commerce and FMCG, including Zepto, Sam Agri, Go Zero, ITC, Papa Johns, Hocco, Zomato Hyperpure and Polar Bear.

CORE COMPETENCIES

Category Management & Strategy | Category P&L Ownership | Assortment Planning & SKU Strategy | Vendor Negotiations & Contracting | Quick-Commerce & FMCG Retail (Food, Beverages, Personal Care, Home Care) | New Business Development & Enterprise Sales | Key Account Growth & Retention | P&L Management & Business Strategy | Revenue Growth & Commercial Excellence | Business Build-Out & Scaling | Multi-City Operations | Asset-Light Logistics & 3PL | Vendor & Fleet Sourcing | Warehousing & Cold-Chain | Technology-Led Operations (GPS / App / MIS) | Strategic Planning & Governance | Team Building & Executive Leadership | Stakeholder Management

LEADERSHIP HIGHLIGHTS

- Built the Bengaluru business from zero into the largest of 3 South India cities — 52 active clients, ₹129.8L net revenue and +8% QoQ growth (Apr–Jun 2026).
- Full P&L ownership across Bengaluru, Hyderabad & Chennai — ~₹28 Cr annualized run-rate.
- Delivered 100%+ of revenue target in Bengaluru and Hyderabad for 3 consecutive months (Apr–Jun 2026), averaging ~102% of plan in both cities.
- Personally manage commercial relationships with strategic enterprise accounts — Zepto, Sam Agri, Go Zero, ITC, Papa Johns, Hocco, McDonald's and Amazon — together representing multi-crore annual revenue.
- Experience scaling categories and operations in high-growth environments — 7 to 166 outlets at SLAY Coffee, and JustDeliveries' South India region built from zero to ~₹28 Cr annualized.
- Built a structured client-churn diagnostic process, identifying 19 lapsed accounts worth ~₹30L/month in peak revenue to drive win-back and retention strategy.
- Built and lead a regional team of 25+ professionals across Operations, Account Management and Fleet Sourcing (5 direct reports, 20+ indirect) — personally hiring, onboarding and mentoring each function from scratch.
- Improved regional profitability through vendor optimization, pricing revisions, SOP standardization and disciplined cost governance, while maintaining service levels — cutting client escalations by ~90%.

EXECUTIVE EXPERIENCE

Regional Business Head — South | JustDeliveries *2023 – Present*

Built and scaled JustDeliveries' South India business from the ground up — complete ownership of P&L, Sales, Sourcing, Operations, Warehousing, Technology Adoption and Team Development across Bangalore, Hyderabad and Chennai.

- Own full P&L accountability across Bengaluru, Hyderabad and Chennai (~₹28 Cr annualized run-rate, Apr–Jun'26 actuals, against an FY27 target of ₹40 Cr) — leading Sales, Operations, Sourcing, Technology and Business Growth for the region.
- **Own category-level commercial strategy, assortment/SKU-cost negotiations and vendor contracting** for FMCG and Quick-Commerce accounts (Zepto, ITC, Sam Agri, Zomato Hyperpure)

spanning Food, Beverages, Personal Care and Home Care — directly accountable for category-level P&L and margin within the region's account base.

- Established Bengaluru Logistics and warehousing operations from zero — building the sourcing network, fleet base, account management function, SOPs and governance — into the region's largest city hub (52 clients, ₹129.8L monthly net revenue, +8% QoQ, Apr–Jun'26).
- Expanded into Hyderabad and Chennai, replicating a scalable city operating model — Hyderabad now at 24 clients / ₹97.1L monthly (+6.8% QoQ), with GP% improving from 12% to 14% over the same period.
- Delivered 100%+ of target in Bengaluru and Hyderabad for 3 straight months (Apr–Jun'26, ~102% average); driving strategic new-business acquisition in Chennai to strengthen regional market share.
- Personally manage commercial relationships for strategic enterprise accounts, including pan-India account Zepto — representing multi-crore annual revenue for the region.
- Built a structured client-churn diagnostic process, identifying 19 lapsed accounts worth ~₹27.8L/month in peak revenue across Bengaluru and Hyderabad to drive win-back and retention strategy.
- Built and lead a regional team of 25+ professionals across Operations, Account Management and Fleet Sourcing (5 direct reports, 20+ indirect) — personally hiring, onboarding and mentoring each function from scratch.
- Lead enterprise commercial strategy, contract negotiations, pricing models and proposal development for dedicated transportation, cold-chain warehousing and integrated 3PL solutions — including fuel-escalation revisions and debit/credit-note resolution.
- Run monthly Executive Committee (ECM) reviews — city-wise P&L, GP trend, churn diagnostics, target-vs-actual and sales-pipeline reporting — driving leadership-level decisions across the region.
- Led the digital transformation of regional operations through driver app adoption, automated MIS, GPS integration and real-time temperature monitoring — reducing manual intervention and cutting client escalations by ~90%.
- Improved regional profitability through vendor optimization, pricing revisions, SOP standardization and disciplined cost governance, while maintaining service levels across the client base.
- Expanded the regional business beyond transportation by developing warehousing, inventory management and cold-chain storage solutions, including reverse logistics (RTV) and last-mile distribution.
- **Manage category-level partnerships for 80+ active FMCG and Q-Commerce enterprise clients** monthly across Food, Beverages, Personal Care and Home Care — including Zepto, Sam Agri, Go Zero, ITC, Papa Johns, Hocco, Zomato Hyperpure and Polar Bear.
- Generated a qualified new-business pipeline of ~₹17.5L+ monthly (~₹2 Cr+ annualized) through enterprise customer acquisition and strategic account expansion.
- Growing South India into a key engine of JustDeliveries' national growth by combining disciplined P&L management, category strategy, new-business development, operational excellence and scalable leadership.

Business Head — Sales & Operations | SLAY Coffee *2019 – 2023*

Led end-to-end Sales, Operations, Category and Supply Chain through the hyper-growth phase of a multi-city cloud-kitchen brand — accountable for revenue scale, store expansion and operating-margin stability.

- Scaled footprint from 7 kitchens to 166 cloud kitchens and 12 outlets across 15 cities — a proven track record of scaling categories and operations in a high-growth environment.
- Delivered sustained 17% MoM growth (peak of 81%) through the expansion phase.
- **Owned category/menu assortment and pricing strategy** — improving AOV from ₹180 to ₹450.
- Lifted funnel conversion from 4% to 15% via performance-marketing integration.
- Built cross-functional teams spanning Growth, Store Operations and Supply Chain.

Earlier Roles | Wildcraft & Delhivery

Operational, commercial and category leadership roles across e-commerce and supply chain environments.

- Managed regional fulfillment-center operations; implemented WMS and governance frameworks.
- **Owned category-level assortment planning, SKU strategy, pricing and vendor negotiations** across digital/e-commerce channels — driving category revenue growth and range depth in a high-growth retail environment.
