SUMMARY

Senior product manager with 7 years building payments and lending products for small businesses. Took a merchant payouts product from 0 to 40,000 monthly active merchants and led a team of 3 product managers. Works closely with engineering, design, risk and compliance.

EXPERIENCE

Senior Product Manager, Merchant Payments **Apr 2022 – Present**
Lumio Payments · Bengaluru

- Own the roadmap for merchant payouts and settlements, used by 40,000 monthly active merchants.
- Launched instant settlements, which grew payout volume by 35% in two quarters.
- Reduced failed payouts from 4.2% to 1.1% by rebuilding retry logic with the engineering team.
- Lead a team of 3 product managers and work with 4 engineering squads.
- Defined product requirements for RBI payment aggregator compliance with the risk and legal teams.

Product Manager, SME Lending **Jul 2019 – Mar 2022**
Tessel Software · Bengaluru

- Built the loan application flow for small businesses, cutting time to approval from 3 days to 6 hours.
- Ran 25 customer interviews each quarter and turned findings into the product backlog.
- Introduced an underwriting dashboard used by 60 credit analysts.
- Wrote product specifications and worked with design on 12 releases.

Business Analyst **Jun 2017 – Jun 2019**
Brightwell Labs · Chennai

- Analysed transaction data in SQL to find drop-off points in the checkout funnel.
- Built weekly dashboards for the leadership team in Tableau.
- Supported two product launches with market sizing and competitor analysis.

EDUCATION

MBA, Indian Institute of Management Kozhikode **2015 – 2017**

B.E. Computer Science, Anna University **2011 – 2015**
