Rohan Kapoor

Head of Category, Grocery

Bengaluru, India · +91 00000 01003 · rohan.kapoor@example.com

SUMMARY

Category leader with 13 years in grocery and FMCG e-commerce. Owns a ₹900 crore P&L and a team of 28.

EXPERIENCE

Head of Category, Grocery **Feb 2021 – Present**

Basketwise · Bengaluru

- Own the P&L for grocery and staples: ₹900 crore in annual revenue at a 14% contribution margin.
- Lead a team of 28 across category, pricing and vendor management.
- Negotiated annual terms with 120 brands, improving back margin by 2.1 points.
- Launched private-label staples, now 9% of category revenue.
- Reduced fresh-produce wastage from 8% to 4.5% by changing replenishment rules.
- Built the pricing team and a daily price-benchmarking process across 40 cities.

Senior Category Manager, FMCG **Jan 2018 – Jan 2021**

Basketwise · Bengaluru

- Ran the packaged-foods category at ₹260 crore in annual revenue.
- Built assortment and promotion plans for 3,000 SKUs.
- Grew category revenue 38% year on year for two years.

Category Manager, Staples **Jun 2015 – Dec 2017**

Greenmart Retail · Bengaluru

- Managed the staples category across 60 stores.
- Negotiated with 45 vendors and cut cost of goods by 3%.
- Introduced weekly availability tracking, lifting in-stock rate from 86% to 94%.

Assistant Buyer **Jul 2013 – May 2015**

Greenmart Retail · Bengaluru

- Supported buying for the grocery division.
- Maintained price files and promotion calendars.

EDUCATION

PGDM — XLRI Jamshedpur, 2011–2013

B.Com — Loyola College, Chennai, 2008–2011

SKILLS

Category P&L, vendor negotiation, pricing, assortment planning, private label, team leadership, SQL dashboards

SELECTED INITIATIVES

- Private-label staples (2023): built the business case, chose six manufacturing partners and launched 40 products in nine months.
- Dark-store assortment (2022): cut the range from 9,000 to 5,500 products per store with no loss of revenue, freeing 20% of shelf space.
- Vendor scorecards (2021): introduced quarterly fill-rate and on-time scorecards for the top 120 brands.
- City pricing (2024): moved from national to city-level pricing in 40 cities, managed by a team of six.
- Festive planning (2019–2020): planned buying and promotions for two festive seasons at three times normal weekly volume.
- Availability tracking (2016): started weekly store-level availability reviews at Greenmart Retail.

SPEAKING AND RECOGNITION

- Speaker, India Retail Forum 2024 panel on grocery private label.
- Basketwise Leadership Award, 2023.
- Greenmart Retail Buyer of the Year, 2016.

BOARD AND ADVISORY

- Advisor to a farm-to-store produce start-up since 2023 (unpaid).
